

We are stronger together!

Tangata Whaikaha, Tangata whaiora, whānau with disabilities, chronic health or injury related health conditions, you have a number of ways to get support if you need it to get your COVID-19 vaccinations. Reach out to those you know and trust and contact the Healthline Disability Team.

Awahi / The Healthline Disability Team

The Healthline disability team is available to support you, your whānau or someone you care for and answer any questions you may have about:

- accessibility arrangements and getting mobility assistance
- different vaccination centres
- getting your vaccination safely
- home vaccinations
- any effects the vaccine may have on you or your medications.

They are available Monday to Friday, from 8am to 8pm.

Call: 0800 28 29 26 and push 2

the NZ Relay App

the help desk is open 24 hours a day, 7 days a week and can be reached by phone on 0800 4715715

My Vaccine Pass

When you have had your two doses of the vaccine you can get your vaccine pass

- online
- call 0800 222 478 — 8am to 5pm, Monday to Friday.
- in person at a vaccination site like a pharmacy.

Boosters for age 18 or over

Get your booster shot if it has been at least 3 months since you completed your primary course (for most people, this is 2 doses). Remember the Healthline Team can support you if you need help.
